

# ANOTHER YEAR IN BUSINESS

## Siesta Sleepworks

Siesta Sleepworks prides itself on price, service, and a relaxed shopping experience. Siesta Sleepworks was established in 1953 by Manuel Glickman in Quincy, Massachusetts and was one of the first sleep shops in America. We opened a store in Acton in the early seventies in a little red house on 2A. Since then we have moved to a larger store to give our customers a greater selection of adjustable beds, mattresses, mattress toppers, futons, platform beds, and pillows. Siesta has always had a friendly knowledgeable staff with no high pressure sales, allowing our customers time to think out their purchases. Our Staff always shops our competition ensuring our customers a competitive price. We also frequently visit mattress factories so that we can select better-constructed mattresses; thus enabling us to have superb knowledge of our product. We sell many different types of innerspring, memory foam, and latex mattresses, including Tempur-Pedic, Simmons,

Beautyrest Black, iComfort, Serta Perfectsleeper, Helix, Puffy, Birch, Sherwood/Sealy, Ergovea, factory direct and custom-sizes. Siesta belongs to a buying group with over 3000 stores which has helped us lower our prices.

Siesta offers removal of your old mattress upon delivery of your new one. Thanks to our loyal customers, we have donated thousands of used mattresses to Household Goods. Mattresses that are too worn for donation are sent to Conigliaro Industries where they are recycled for other products. Siesta is proud of our donations to local charities, schools, and sports teams. Our staff is happy to answer any questions.

Andre Sevigny owner, Steven Glickman (semi-retired still here), and Patrick Wells warehouse manager. We have 2 great delivery people who go out of their way to help customers.
